

Seminars in Oncology: October 2017 - June 2018

- 05/10/2017
(17h-18h) *Common sense in oncology: how (and why) similar data are interpreted differently by the oncology community*
B. Gyawali (Nagoya University Hospital, Japan) *Discussant: J. De Grève*
- 09/11/2017
Day of the Oncology Research Centre.
- 16/11/2017
(17h-18h) *TMI: beneficial approach for Multiple Myeloma patients*
S. Giebel (Instytut im. Marii Skłodowskiej-Curie, Poland) *Discussant: R. Schots*
- 30/11/2017
(16h30-17h30) *Assessing mRNA for modulation of the tumor microenvironment*
D. Renmans (Vrije Universiteit Brussel)
- 07/12/2017
(17h-18h) *Oncoplastic breast surgery*
M. Hamdi, M. Vanhoeij (UZ Brussel)
- 21/12/2017
(17h-18h) *Oncogeriatrics: focus on the elderly cancer patient*
L. Decoster (UZ Brussel)
- 11/01/2018
(16h30-17h30) *Nanobody mediated PD-L1 imaging and inhibition*
K. Broos (Vrije Universiteit Brussel)
- 25/01/2018
(17h-18h) *Importance of myeloid dendritic cells for anti-tumor immunity*
D. Laoui (VIB - Vrije Universiteit Brussel)
- 08/02/2018
(17h-18h) *Radiation therapy and immune-checkpoint inhibition, a synergistic combination*
P. Ost (Universiteit Gent) *Discussant: M. De Ridder*
- 22/02/2018
(17h-18h) *Experiences with T-cell therapy for advanced melanoma in the institute AVL/NKI*
S. Wilgenhof (Vrije Universiteit Brussel) *Discussant: B. Neyns*
- 08/03/2018
(17h-18h) *Hormone therapy in prostate cancer beyond 2017*
B. Tombal (Cliniques Universitaires Saint-Luc)
- 22/03/2018
(17h-18h) *Tumor-treating fields, is there a role in the treatment of glioblastoma*
P. Clement (UZ Leuven) *Discussant: M. De Ridder*
- 19/04/2018
(16h30-17h30) *Unraveling the myeloid cell involvement in tumor growth using 3D spheroids*
C. Goyvaerts (Vrije Universiteit Brussel)
- 03/05/2018
(17h-18h) *The role of radiotherapy in lymphoma management: a critical analysis*
R. Schots (UZ Brussel)
- 17/05/2018
(17h-18h) *Liquid biopsies and cancer*
I. Van Riet (Vrije Universiteit Brussel)
- 14/06/2018
(17h-18h) *RNA epigenetics*
R. Deplus (Université Libre de Bruxelles) *Discussant: J. De Grève*
- 28/06/2018
(17h-18h) *Recent evolutions in the pharmacological approach of pain in the oncological patient*
G. Hans (UZ Antwerpen - RIZIV) *Discussant: J. De Grève*

Accreditation has been applied for.
