

ORC no-show policy

ORC offers the opportunity to researchers and students to attend the annual Oncology Research Center Day. Offering coffee breaks and lunch costs money. To reduce wasting means we expect you to be present if you have registered. If you cannot attend, we ask you to inform ORC (orc@vub.be) as soon as possible. Registration can be cancelled until one week prior to the event, unless otherwise stated. In case of no-show without timely notification or valid justification, an appropriate sanction will follow.
